

vigneshramesh

user Experience designer

objective

To design interactive experiences for people in various facets of life. I'm especially interested in designing experiences for mobile phones, desktop applications and the internet.

experience

Experience Design and Research Intern *May 08 – present*
Adobe Systems Inc, California

Working in a team that has the responsibility of designing interactions and the UI for the Creative Suite applications such as Photoshop, Illustrator etc.

Associate Instructor *Aug 07 – May 08*
Indiana University Bloomington, Indiana

As the Associate Instructor for the course 'Fundamentals of Computing', I have taught HTML, CSS, Office Applications Word, Excel and Access.

Software Developer Intern *May 06 – July 06*
Microsoft, India

Investigated the integration of PnP and UPnP technologies into the RFID Infrastructure. Also developed a basic web application for the RFID system.

education

Masters, Human Computer Interaction *May 2009*
Indiana University Bloomington, Indiana

Bachelors, Computer Science *May 2007*
Amrita School of Engineering, Coimbatore, India
