### ABOUT ME

I love design. I enjoy designing experiences that make users feel so good and excited that they want to show it off to their friends and family.

### EXPERIENCE

#### **Adobe Systems, California (Jul 09 – Present)**

Experience Designer

Currently working as a designer with responsibilities including designing and prototyping user experiences across multiple platforms (desktop, mobile and tablet). My portfolio of products includes Adobe Connect, Acrobat Reader and Acrobat Professional.

#### **Adobe Systems, California (May 08 – Aug 08)**

Experience Design and Research Intern

Worked with a team that was responsible for designing interactions and the UI for Creative Suite applications like Photoshop and Illustrator.

#### **Indiana University Bloomington, Indiana (Aug 07 – Apr 09)**

Associate Instructor

As the Associate Instructor for the course 'Fundamentals of Computing', I taught HTML, CSS and Office Applications like Word, Excel and Access.

#### **Microsoft, India (May 06 – Jul 06)**

Software Developer Intern

Investigated the integration of PnP and UPnP technologies into RFID framework for BizTalk. Also developed a basic web application to monitor the RFID system using ASP.net.
